ABOUT US

Memorials are one of the most important purchases we can make for our loved ones. Sadly, it can also be one of the most expensive.

With this in mind, Renaissance Cast Stone set out to manufacture an affordable alternative to granite and all other real stone memorials.

We feel that, with our cast stone products, we have achieved our goal. The cast stone memorials cost 30-40% less than actual granite.

Renaissance Cast Stone memorials and headstones are thoughtfully crafted with cast stone and sealed with a 100 year sealer. All memorials - including crosses - are rebar reinforced to give the lasting quality that you expect.

With the ability to create almost any design, we can produce any custom design on demand, and create the perfect affordable memorial for your loved ones.

All memorial Headstones, Crosses, Benches will be customized with text as needed.

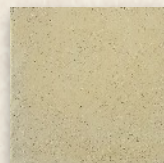

Note: All lettering is engraved in to the cast stone and painted.

Traditional Headstones

Cast stone headstones are not only beautiful and very durable, but also are much more affordable than the hand carved stone headstones.

The Bible headstone is in a shape of a Bible book, and stands 25" tall, or 30" tall including the pedestal. The right side features a verse from Psalm 23, while the left side is customized with the name and information of the deceased. Can also be engraved with the Ten Commandments (not pictured here).
